Dear Mr Arjun Ravindran

I have been interacting with you over the Boiler Explosion Claim of Shree Rangaraj Ispat Industries Pvt. Ltd., Coimbatore. I am very happy to see the efforts put in by you while collecting/arranging the documents to substantiate their claim and the in-depth knowledge of the insurance (especially of Fire and BI policies).

I am immensely impressed by the kind of explanation you documented in support of the circumstances of loss and the nature of the damage caused. I am sure your all clients whosoever is attached to you, would also be appreciating your assistance, and imparting of insurance knowledge that you had acquired over the period since being in the insurance market for the last 25 years.

I am more impressed with the understanding of all types of insurance policies with their terms and conditions and warranties attached. I am sure that whoever gets attached to you, would definitely get a lot of benefits from your association/immense knowledge of insurance.

I sincerely wish you great success in whatever you endeavour in the future.

**Thanking you.**

Yours Sincerely,  
for **Puri Crawford Insurance Surveyors & Loss Assessors India Pvt. Ltd.**
